LAST MONTH'S MEMORIES

Our Assisi pilgrimage concluded with a heartfelt Mass celebrated by Fr Karm, a moment of shared reflections and gratitude, and some final free time before returning home to Malta with cherished memories and renewed faith.

"My Experience in Assisi… What a Blessing!"

Some journeys take us to beautiful places, while others touch our souls and leave a lasting mark on our hearts.

My pilgrimage to Assisi, La Verna and Eremo delle Carceri was truly a blessing. Walking in the footsteps of St Francis, surrounded by peace and nature, reminded me of life's true treasures: love, humility, gratitude and faith.

I returned home with beautiful memories, a renewed spirit and a grateful heart.

Assisi was more than a place I visited… it was an experience I felt deep within my soul.
